Ref.: Chapter 11 Case Nr. 09-50026 (Reg.)  
Proof of Claim Nr. 68211  
The Deptor's 138 th Omnibus Objection  
to Proof of Claims of Holders of Eurobond  
Deutsche Debt Claims

My name is **Ingrid Herzele**  
I am the claimant  
My adress, telephone and facsimile Nr. is:  
Fasanenstrasse 56  
D-40699 Erkrath / Rhld.  
Germany  
Telephone: 0049 211 246036  
Facsimile: 0049 211 246036

All responses telephoncalls and facsimilies only to me.  
No other contact-persons.

The amount of my claim is 10.000 Euro  
to the Eurobond 8 3/8 % General Motors Corp.  
Eur-Notes v. 03(05.07.2033)  
XS017194364  
plus 2 x 835 € = 1670 € to the outstanding accrued  
and unpaid interest (not paid at July 2009 + 2010)

I request the Court not to expunge and disallow my claim, because I need  
urgently the interest for improvement my little state pension ( 428 € ) .

I read that General Motors in November 2010 have paid billions of  
“Dollars” for pensions of the trade-union “UAW”. May be “MLC” have  
also some USD for a better pension of mine. The plan greatly is to my  
disadvantage because I lose a lot of money specialy with regard to my  
pension..

With kind regards.
